Gentlemen:

Enclosing a copy of our letter to you of December 22-nd to which no reply has as yet been received, we take this opportunity to ask you if for some reason or other it is inconvenient to you to inform us about your records of 1904?

We wish to assure you that our aim is purely historical research, and that the information is required for historical purpose only.

Hoping to be favored with your early reply, we remain

Very truly yours
