Dear Sir,

Enclosed herewith
I beg to hand you
telegram from Utsunomiya
London which please
acknowledge receipt

Yours faithfully

Congress proposed by Finns
will not take place, because
Russians decline invitations,
saying the time has not yet
arrived. Congress proposed
by us is ϕ in organization,
entente with Lithuanians
and white Russians
being strengthened. We
have lately distributed
two manifestos, one with
Lithuanians and the other
white Russians. Our
attitude against mobilization
remains same. W.
