To Whom It May Concern,

Miss Wanda Musial, has been employed at the office of the New York Branch of the Polish Military Mission in Washington from July 1942 to July 1, 1945.

Her work as a secretary, interpreter and office supervisor was most satisfactory and she has gained our confidence with her personal and professional qualifications. She is prompt, conscientious and a very valuable worker in any office, and may be highly recommended for every position calling for resourcefulness and ingenuity.

She is leaving the above mentioned office due to the liquidation of it in consequence of the end of the war.
